

Dear comrades,

The Workers Party of Ireland condemns the attempts by figures in the United Socialist Party of Venezuela (PSUV) to disenfranchise and undermine the Communist Party of Venezuela.

The WPI rejects the “fake congress” held on Sunday in Caracas.

There is only one PCV, the legitimate Communist Party of Venezuela which remains the class force at the service of the struggle of the Venezuelan people and the working class.

The Workers Party of Ireland stands in solidarity with you.

In comradely solidarity,

Long live the PCV!

Long live Socialist Internationalism!
